All orders are to be shipped via a carrier of our choice. When a customer asks for any other method of shipment it will go out prepaid, but total charges of this shipment will be shown on the bottom of the invoice and included as part of the amount due. In no case will this charge be less than the transportation and handling charges shown above.

We offer AIR SERVICE FROM UPS.

No item requiring a Federal Firearms License can be shipped to another address.

Dealers will be billed actual freight costs on some items that are oversized or exceptionally heavy.

HAZARDOUS MATERIALS: There are additional UPS charges that will apply for each box of Hazardous Materials and certain other strict regulations apply to hazardous air shipments. Contact your Sales Representative for additional information.

No C.O.D. charges will be paid by Ellett Brothers. Additional charges will apply for ALL C.O.D. shipments. Contact your Sales Representative for additional information.

Fuel surcharges may apply to all orders and are subject to change without notice.
